

ASSESSMENT VALIDATION AND CONTINUOUS IMPROVEMENT

Duration:	1 day
Max. Participants:	30
Fees:	Non member : \$390.00
	AICPT member: \$330.00

About the programme

This workshop has been designed for participants to gain the knowledge and skills to implement continuous improvement, validation strategies and ensure quality in assessment.

Intended for

- Practising assessors
- Lead assessors
- Assessment consultants
- Training compliance officers/managers
- Curriculum/program developers.

Contents

- Quality management and continuous improvement practices
- Relationship between continuous improvement and validation
- Steps and criteria in planning a systematic validation process
- Participation in assessment validation activities as part of continuous review
- Identify relevant documentation and materials to be used and recorded as evidence of assessment validation.

Training methodology

Teaching by targeted activities, group discussions and participation, probably describes the training methodology most accurately. Participants will be actively involved in the learning and be assessed on practical techniques during the programme.

Workshop outcome

On completion of the programme, participants should be able to demonstrate competency to generate appropriate assessment validation and continuous improvement evidence in their work.

As with all AICPT training programmes, we strive to effect actual change back at the workplace through effective and practical outcomes based training.
