

EFFECTIVE TRAINER AND LEARNER

Duration:	1 day
Max. Participants:	30
Fees:	Non member : \$590.00
	AICPT member: \$500.00

About the programme

This workshop is designed to give a trainer the tools he/she needs to supercharge his/her training. Once a trainer understands the key areas around creating effective learning environments, the trainer will discover how much fun designing and delivering programs can be.

Intended for

- Trainers
- Lecturers
- Teachers
- Managers
- Supervisors
- Team leader
- Anyone who provides training.

Contents

Participants will learn to:

- Start and training session on the 'right foot'
- Create relevance and meaning for content
- Provide effective directions every time
- Read their learners and switch modes
- Energise and invigorate their learners
- Enhance group interaction and individual participation in their training.

Training methodology

Teaching by observation, self reflection and group participation probably describes the training methodology most accurately. Participants will be actively involved in the learning and be assessed on practical techniques during the programme.

Workshop outcome

On completion of the programme, participants should be able to apply the practical training techniques and achieve the following outcomes for their learners to:

- Approached new learning tasks with greater speed and enthusiasm
- Be more engaged and interested
- Follow instructions first time every time
- Be more interactive and responsive in group discussions
- Maintained concentration for longer periods of time.

As with all AICPT training programmes, we strive to effect actual change back at the workplace through effective and practical outcomes based training.
