

Facilitation Skills for Experiential Learning Practitioners

Duration:	3 days
Max. Participants:	20
Fees:	Non member : \$1500.00
	AICPT member: \$1275.00

About the programme

The facilitation skills programme is aimed at any person who will benefit with skills to apply experiential learning when working with groups, when presenting training and when facilitating performance.

Intended for

- Training Professionals and Practitioners
- Training Instructors & Facilitators
- Managers
- Organisational Development Consultants
- Any person who has a need to apply experiential learning in his/her daily functioning.

Content

- Using experience to facilitate learning
- Facilitation & processing techniques and skills
- Designing and planning the group intervention.

Training methodology

Teaching by example and experiential learning probably describes the training methodology most accurately. Participants will be actively involved in the learning and be assessed on facilitation techniques during the programme.

Workshop outcome

On completion of the programme participants should be able facilitate an experiential learning process.

Participants will achieve the workshop outcome by being able to:

- Understand the concept of 'experiential learning & facilitation'.
- Create a experiential learning process
- Facilitate an experiential learning process effectively.
- Manage and design a experiential learning group intervention.

As with all AICPT training programmes, we strive to effect actual change back at the workplace through effective and practical outcomes based training.

To enrol for this workshop, complete the Continuing Professional Development (CPD) course enrolment form and email to info@aicpt.org.au
